

MAKING AN APPOINTMENT

- **Note:** Different phone numbers are available, depending on the type of appointment. When you call the CLSC, your call will be transferred or you will be given another number to call in order to guide you properly.
- If you're looking for a service that isn't available at the CLSC, call 811, option 2.

DID YOU KNOW THAT

- **CLSC Maniwaki can provide you with care and services, regardless of where you live.** To obtain a service, you must have your valid health insurance card on hand. The CLSC can help you renew or obtain a health insurance card.
- If you are concerned or have questions about your physical or psychological health or that of a loved one, you can call **811, option 2**. This service is free, confidential and available **24/7**. Depending on your need, a nurse or social worker can advise you and direct you to the appropriate resources: you can put in a request by calling 811.
