The objective of this bursary is to promote the Nursing profession and the recruitment of qualified nurses in the réseau local de services du Pontiac. This is a wonderful opportunity to encourage the residents of the Pontiac to apply to a Nursing program recognized in Québec or Ontario and to eventually be able to work in their community.

The MacLachlan Family Bursary program will be presented to all the students in grade 9, 10 & 11 in the réseau local de services du Pontiac in the near future.

There will be 4 bursaries awarded per school year:

- \$5,000 maximum per year, per bursary, up to a maximum of \$20,000
- \$5,000 per school year for a full-time student
- \$2,500 per school year for a part-time student

The CISSS de l'Outaouais is proud to offer this bursary which will permit the recruitment of new nurses in our establishments in the territory. The presentation will allow students to find out the advantages of a career in the health services, in particular, in nursing.
